

WHO WE ARE

Impact Austin is an Austin-based women’s collective giving organization, funding Central Texas nonprofits that provide services in Bastrop, Hays, Travis, and Williamson counties. Our membership and leadership proudly reflect the many faces, cultures, and walks of life that make up our society. We believe diversity helps us to better understand and address the issues facing our community.

MISSION

We cultivate and expand the knowledge, passion, and generosity of our members to make a positive impact by developing strong relationships and leveraging the power of collective giving.

VISION

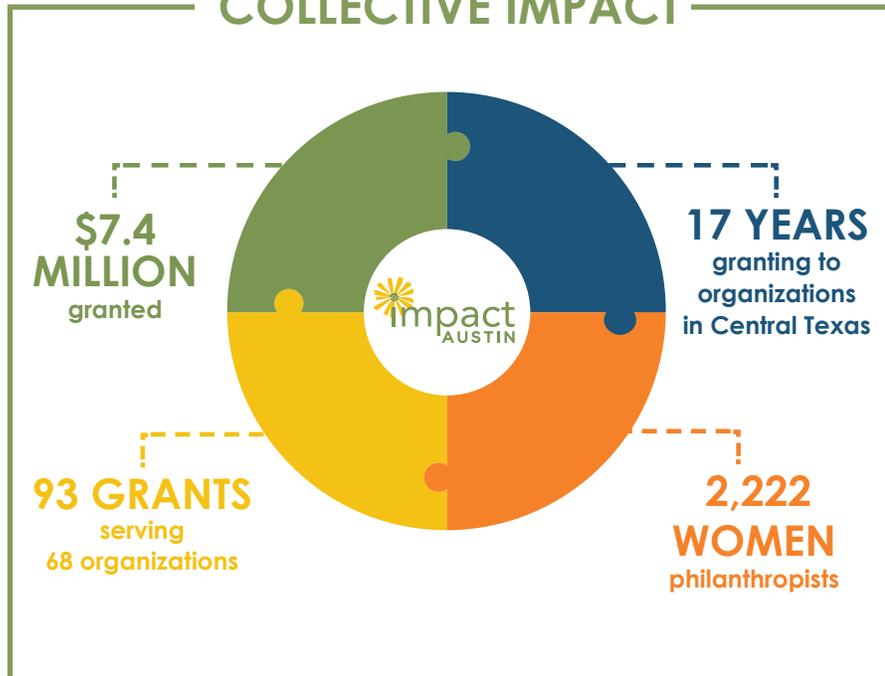

Our vision is to unlock the potential in our community by uniting to fulfill our philanthropic purpose.

VALUES

- Inclusivity** We welcome all women with a passion to give and a desire to grow.
- Empathy** We care deeply about our community, partners, and fellow members.
- Curiosity** We are a learning organization educating members on community needs and solutions.
- Impact** We challenge ourselves to give our time, expertise, and financial resources to address systemic challenges facing our community.

COLLECTIVE IMPACT

COLLECTIVE GIVING

Impact Austin members pool individual charitable donations and decide collectively how to award strategic, high-impact grants. Our membership requirements are to identify as female and to donate \$1,250 each year. We combine \$1,000 from each member’s annual gift into a central fund, with grants determined after several rounds of evaluation and voting. The remaining \$250/member supports Impact Austin’s programming, grantmaking, and operations.

MEMBER EXPERIENCE

While there are many hands-on learning and leadership roles available within Impact Austin, there is no minimum time requirement. Be as involved, or uninvolved, as you wish. Last year, 347 members shared their talents, skills, and expertise with Impact Austin committees or events. Volunteer opportunities include Grant Review; Diversity, Equity and Inclusion; Membership Engagement and Recruitment; Marketing; Technology; Girls Giving Grants; and Fundraising/Advancement. On the lighter side, Zones Social Activities offer casual gatherings where members live or work. We value the lasting friendships that evolve as we network together. *All programming for 2020 is virtual.*

COMMUNITY PARTNERS

Member-volunteers serve on Grant Review Committees to learn grantmaking fundamentals, review applications, and recommend grant finalists in a thorough vetting process. Nonprofit finalists present their projects to the membership, and each member casts her vote for new Community Partners. In June 2020, we awarded \$410,300 to 10 new Community Partners.

Girls Giving Grants (g3) is Impact Austin's youth initiative, made up of young philanthropists in grades 8-12. Combining individual donations of \$125, members learn the power of collective giving and best practices in grantmaking. Since 2006, g3 has awarded more than \$90,000 to Austin-area nonprofits serving youth.
